Pandemic Edition

What a season of life we have been through over the past 4 months.

At the beginning of March I had bought a plane ticket to get back to Latvia. No, I was not close to being fully funded. I was trying to get back before this global pandemic took over the whole world.

Funny how God orders our steps! Shortly after buying the tickets the European travel ban went into affect. I was confused and stressed, what was I to do? I went to & from St. Louis working odd jobs try to support my self. At every turn I have been blessed. During this season I have truly learned to trust the Lord.

This weekend will be my first time back behind the pulpit since March. I'm excited to deliver the Word this weekend. I will be going in front on the Missouri District UPCI for ministerial license on July 16.

I am grateful for all my Partners In Missions that have been faithful through this pandemic! I need 30 more Partners at \$50 a month to reach my goal.

Please feel free to contact me with questions or interest. I would love to share any information on my ministry with you.
