

Greetings in the Name of Jesus Christ,

Costa Rica started reopening in May and has developed a 4 Phase plan to reopen. We are still restricted in what we can do but were able to go out to dinner to celebrate our 40th anniversary.

We are continuing to meet with our Language / Bible Study Group, which has challenged us both with the language and with some of the topics that are discussed. Each week someone determines the topic for the next week so we can prepare for the time together. The topics tend to be deep and are always challenging. God has truly blessed us with these friends and is using this time to encourage all of us.

We completed the Missions-Minded Life Group in May. We were privileged to have Bro. Poitras join us for our last session. He provided a great overview of the AIM program and answered questions for the group.

Julie launched her blog (www.confidenceingod.com) in May. This is providing an opportunity to reach out during this time in both the English-speaking and Spanish-speaking countries. She has over 200 people following the Blog and is getting additional followers daily. We are praying that this will be a time of encouragement during this time of isolation.

Julie was able to post a teaching to the Costa Rica Sunday School Coordinators on teaching for retention.

We are thankful for all that God is doing and pray that as the country opens God will do miraculous things in Costa Rica. It is a privilege to know and serve the One true God.
