GREETINGS FROM OKINAWA!

Greetings in the wonderful name of our LORD Jesus! We live in interesting times, and I believe the greatest is still to come. Because of the recent pandemic, my wife and I have been holding our weekly Bible studies online. Many of young teens have graduated and have started working jobs. For Mother's Day, my wife and I went to all the mothers of the teens, and we did something special for each of the mothers.

Our local assembly has not able to gather as normal. Our services have been held online. Meanwhile, many volunteers have supported the construction and remodel of our 1st and 2nd floor. We are repainting our new Sunday school rooms. Also, we have moved our cafe upstairs to help better facilitate fellowship. We are hoping to finish all of the new changes prior to being able to open services again.

Again, my wife and I express our thanks for your continued support and prayers. Yours in Christ
