JUNE 2020

JUNE HIGHLIGHTS

On June 25th the Body of Christ was able to gather together, for the first time since COVID-19, for Thursday Connect at the Chapel. APLS has launched into a new Bible Study series on the Gospel of Luke, taught by Bro Chris Johnson. We continue to pray that other regularly scheduled activities, including family prayer, food and fellowship at the Chapel, and community outreach, will be able to resume in the near future.

FATHER'S DAY SUNDAY

We are thankful for all of the wonderful fathers at APLS. The APLS ladies led the service on Father's Day Sunday. Sis Monica Duke preached, "Are There Any Josiahs Among Us?", encouraging the men of APLS to take a stand for Truth in their generation and to lead by example for their families and the generation to come. At the conclusion of service, the ladies honored APLS dads by presenting each one a gift basket. We love these men of God that the Lord has positioned to be world changers in this hour.

MEN'S FATHER'S DAY FELLOWSHIP

The men of APLS had the opportunity to fellowship and break bread together in honor of Father's Day. They enjoyed all you can eat Korean BBQ at a popular local restaurant.

JULY FOOD & FELLOWSHIP

Although food and fellowships are not currently authorized to be held at the Chapel due to COVID-19, APLS is looking forward to an opportunity to fellowship and break bread together on Sunday July 12th. Immediately following service, the Church Body will gather at Joy Cook, a local Italian restaurant, for a time to connect and enjoy a delicious meal.
