Reaching Out To Thai Precious People

The Gospel of Jesus Christ has reached to some of the Thai precious children. God touched the lives of these children. They came with the hungry hearts for the truth. They are learning to sing songs of praises. They love to sing unto the Lord. Most of them are raised in Buddhist religion and are taught to follow their religion tradition. Thailand is the freedom of religion country. They are free to choose what to believe. It is illegal to preach against Buddhism in Thailand. But we thank God that we can freely preach the Gospel of Jesus Christ to in Thailand.

We met a teenage, 14 years old boy he in 9th grade attends school near our house, our 15 year old son, Nathaniel witnessed to him and made friend with him and he gave his life to the Lord and he asked me to baptize him in the Name of Jesus Christ. Seven of these children have been baptized in Jesus Name. We started this congregation from the scratch and the Gospel of Jesus has reached to the village of Na Tan district in Ubon Ratchathani, Thailand.

Worship service is held in front of our house. I believe that God will provide us a land and a church building to hold worship service.
