*a message from the
Regional Director:*

The continued growth of the apostolic church in Africa presents many challenges, one is that more doors are opening for ministry than the number of laborers stepping through. Your ministry, giftings and passion are needed. You can make a difference. One short term missionary in Africa recently said, "Don't wait till you're perfectly qualified, don't wait until you have it all together, don't wait for some big flashing lights, because if you do, you might just be waiting your whole life." I invite you to step out of the ordinary into the amazing expanse of apostolic revival. Together, let's move Africa Forward!

Randy Adams

WHAT ARE YOU WAITING FOR?

WEST AFRICA

With high temperatures, high humidity, and wonderful people, you'll always experience a warm welcome in West Africa! Vibrant colors, torrential rains, dusty Harmattan and people, people, people set this sub-region apart. We're thankful in the last two decades to have seen an influx of missionaries, a continued maturity of the Church and a tremendous unity of purpose. However, there are still access-challenged nations and opportunities abound for all types of ministries.

Target Nations:

The Gambia (English)
Sao Tome/Principe (Portuguese)
Chad (French)

WHAT ARE YOU WAITING FOR?

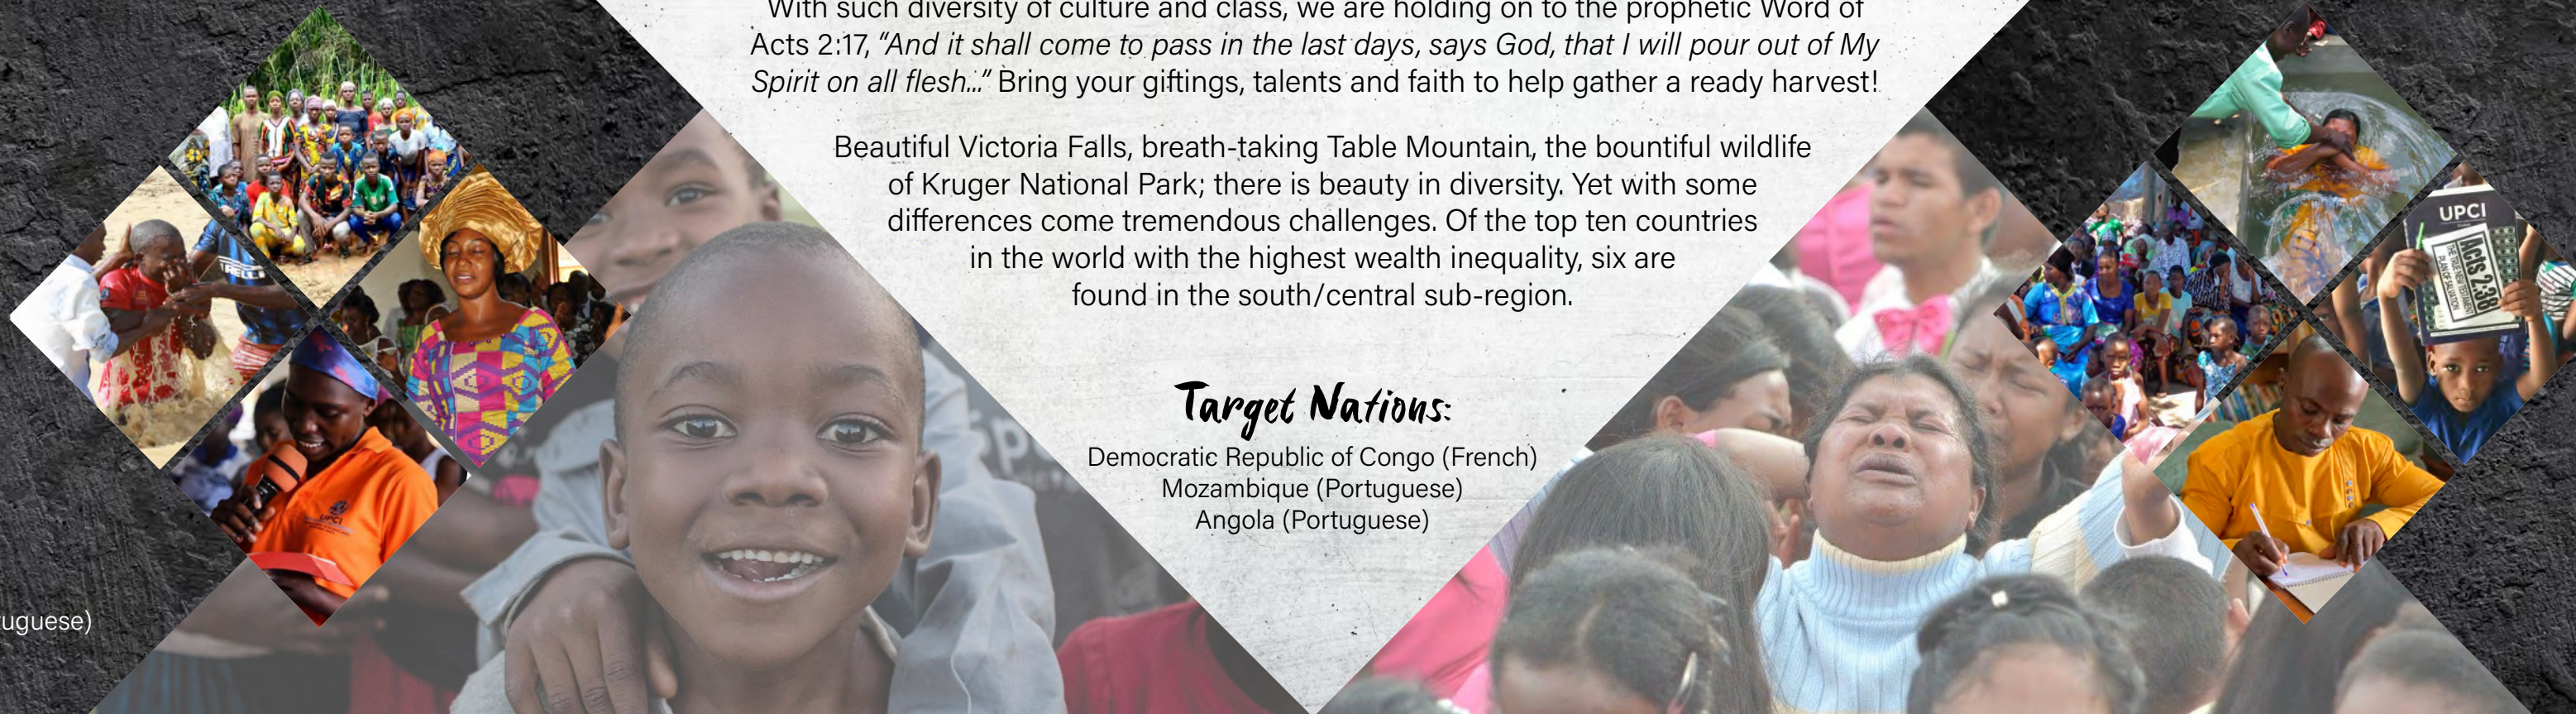

SOUTH / CENTRAL AFRICA

With such diversity of culture and class, we are holding on to the prophetic Word of Acts 2:17, *"And it shall come to pass in the last days, says God, that I will pour out of My Spirit on all flesh..."* Bring your giftings, talents and faith to help gather a ready harvest!

Beautiful Victoria Falls, breath-taking Table Mountain, the bountiful wildlife of Kruger National Park; there is beauty in diversity. Yet with some differences come tremendous challenges. Of the top ten countries in the world with the highest wealth inequality, six are found in the south/central sub-region.

Target Nations:

Democratic Republic of Congo (French)
Mozambique (Portuguese)
Angola (Portuguese)

EAST AFRICA

East Africa cannot be overlooked with its famous Mt. Kilimanjaro and Great Rift Valley offering stunning scenic views and bucket list safaris. Home to some of the greatest revivals on the continent to date, there are still nations in desperate need of an apostolic voice. The Horn of Africa and its neighboring countries are waiting, but laborers are few. You are needed.

Target Nations:

Comoros (English)
Ethiopia (Amhara)
Sudan (English)
Burundi (French)
