

ENA IS COMPRISED OF THREE AREAS. IN WHICH ONE DO YOU SEE YOURSELF WORKING?

NORTH AFRICA

NORTH AFRICA

This area stretches from the dunes of Western Sahara across the top of the African continent, finally cascading into the vibrant blue waters of the Red Sea. With just 7% of the area's 205 million people claiming Christianity as their faith, the large Islamic population is in great need of the light of the gospel in their languages and cultures.

CENTRAL ASIA/CAUCASUS

A vast area that connects continents and encompasses the majority of the ancient Silk Road, the natural beauty of this land is surpassed only by the warmth of its people. Turkic and Persian languages, along with a host of minority tongues, create a beautiful cultural tapestry. As Islam continues to influence the lives of millions, a new generation needs a connection to the gospel in their own culture and language.

APOSTELLO

Many nations in the ENA region are classified as Access Challenged Nations (ACNs). As a result, the ENA region is in need of trained and experienced associates to preach the gospel boldly in creative ways. If you have AIM or AMP experience, the Apostello training program just might be for you. (gmstm.net/acn)
