

THE PACIFIC REGION

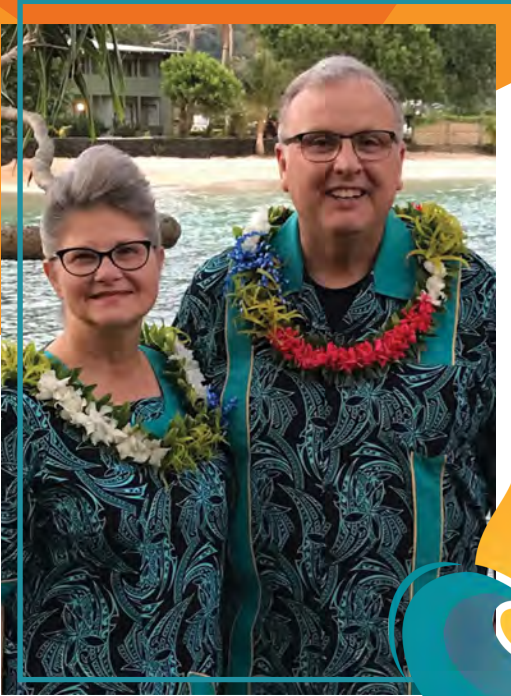

declaring His praise in the islands

OUR VISION

“

To reach every
inhabited island of the
vast Pacific Region with
the Apostolic message
through laboring
together in Apostolic
Ministry.

”

a word from THE BUCKLANDS...

In the KJV, there are forty-five references to islands or isles, affirming that God is indeed attentive to the distant nations.

Although many of our island nations have experienced unprecedented revival, our challenge in fulfilling the Great Commission is to reach every inhabited island and to make disciples in every

ethnic group. It matters not how hard the task before us, how geographically remote, or how spiritually dark. It has been said that being a missionary is the biggest, smallest thing you can do. There is no higher, lower calling in all the world. Eternity demands our very best.

Will you be the one to lay down your life and go?

THE REGION

Spread across thousands of miles of open ocean, there are twenty-nine nations and territories with a collective population of 464 million beautiful people. The Pacific Region of the UPCI consists of the island nations of the Pacific Ocean, also including Indonesia, Malaysia, Singapore, and the continent of Australia.

did you know?

Papua New Guinea is home to one third of the world's languages, about 780 distinct dialects!

THE PEOPLE

The Pacific Region is home to the world's most diverse range of indigenous cultures and environments. The region embraces a multitude of cultures and a wide variety of ethnic groups including Caucasians, Malays, Chinese, Papuans, Indians, Micronesians, Polynesians, Melanesians, and other South Pacific islanders.

THE NEED

These beautiful islands are so much more than scenic getaways and exciting adventures. **They're filled with lost souls.** The Pacific Region needs couples, individuals and families alike who are consumed with a pure desire to be His hands, His feet and His voice.

The scale of the task before us is matched only by the greatness of God who promises to accompany and empower us.

The call to missions is a great one. Let this booklet confirm a burden in your heart and inspire you to pray about **taking action... pray → give → go!**

THE OPPORTUNITY

Opportunities for ministry abound as an **Associate In Missions** worker! Various opportunities for ministry include, but are not limited to: children's and youth ministry, evangelism, teaching Bible studies, discipling new converts, church planting, music ministry, and building construction.

GO!

Let **GO!**

Help **GO!**

The great increase in student enrollment has, consequentially, created the need across the region for Bible school administrators and instructors with ministry experience.
