**NOVEMBER**

2023

**HOLLINGSWORTH**  
AIM TO BRAZIL

## DISTRICT MEETING

On November 12th, the district gathered at the IPUB Marinique church for meetings. We were blessed to have Bro. Wachtstetter speak to us. It was a great opportunity to meet new people from across the state.

## CHURCH FAMILY

We love IPUB Marinique. They are a church that loves, and serves God with their whole hearts. They are kind, passionate people. They have welcomed us, and been very patient as we learn the language and culture.

OCTOBER 2023

## HOLLINGSWORTH

Our time in Brazil during November was short but left a big impact on us. We saw a big storm come through, some towns losing water and power for days- we were safe and only lost power for a couple hours. The church made it through with only a broken window. We Tied-dyed a whole load of shirts with the girls at Jubilee. Caleb preached at a few local congregations. We attended the District meeting. We packed in as much quality time and hugs with our church family and friends as possible. We were even able to spend some time with the Andersons before we left.
