IN WARSAW AS IT IS IN HEAVEN

This month started off the holiday season here in Poland, with Christmas decorations going up all over Warsaw, and Christmas Markets opening at the end of the month.

PRAYER REQUESTS

- For spiritual eyes to be opened to the light of the gospel, and spiritual strongholds to be broken so the Kingdom of God can be built here.
- For wisdom, knowledge, and understanding as we seek to transcend many different cultures with the love of Jesus.

We have continued to build relationships during this time, inviting people into our home and spending time with them.

We started a Bible study with one of our core church attendees, and we are planning to continue that into the New Year! We are excited to see what God is going to continue to do in his life as he seeks the Lord.

We have begun to plan for conferences happening here in the Spring. We are so excited to share our burden for this city and have others come to pray over key areas Of Warsaw. God has great things in store!

THANKSGIVING

We were blessed to be able to share Thanksgiving dinner with The Patterson's and some of our core contacts, as well as host a "Friendsgiving" for our larger group of contacts here in Warsaw.

Our friends mentioned that they really loved getting to have a taste of American culture, and we had a wonderful time celebrating with all of them!
