ELIZABETH CASTILLO

THE WHOLE GOSPEL TO THE WHOLE WORLD

WHAT HAS HAPPENED

I was able to tour a new church building that is under construction and upon completion will be the biggest church in Santa Cruz and the first with air conditioning. We celebrated Pastor appreciation and two weddings.

WHAT IS HAPPENING

Along side a weekly bible study, I am also helping out with Sunday school and the worship team. For Sunday school I am currently participating in a two week teacher training, along with collaborating with a team to make an Apostolic coloring book that will be distributed to every child attending a UPCI church in Santa Cruz.

HAPPY THANKSGIVING

Firstly, I am beyond grateful to serve the one true God. I'm also grateful for my parents, close family and friends, and I am thankful for you and your continued prayers and support.
