

# In All Things, We Give Thanks

*I will praise the LORD according to his righteousness: and will sing praise to the name of the LORD most high.*

*Psalms 7:17*

In this season of praise and thanksgiving, we have been amazed at what the Lord has done here in Luxembourg. We've taken some of our members to events, made new friends, and had plenty to eat. Come and see what we've been up to!

## Ruach Conference

We were so blessed to be able to attend the third ever Ruach Conference in Brussels! This groundbreaking conference was dreamt up by the Van Gorps as they saw the necessity of addressing mental health in a church setting. We highly recommend attending next year, if you are able. We also brought two of our church members, Dina and Francisco, with us and we were all richly blessed by the conference and the fellowship we had with each other.

## **The Browns Arrival**

Last month, we announced that we would be welcoming a new AIM couple and they are here! They have already been a help to the work here in Luxembourg and we're excited to see how the Lord continues to develop their future in missions!

## **A Visit from Home!**

Nothing like seeing a familiar face from home! We welcomed our friend, Laurel, and were so happy to have her here for Thanksgiving! We always welcome these visits from the U.S. If you ever feel like seeing us, know that you don't need an invitation to come and stay for a while. We love showing people around!

## Thanksgiving

If you talk to us for any length of time, it will surely be revealed how much we love food. Naturally, thanksgiving is one of our favorite holidays, and this year, God blessed us with three other Americans to celebrate with! We made enough food for way more people than were present, so we got to have Thanksgiving as lunch and dinner for several days and boy, were we thankful!

## The Sanctuary of Luxembourg

We're thankful to have church in Luxembourg. It has taught us the perhaps the most invaluable lessons of all our time being involved in missions. We continue to be involved in prayer walking more than ever and our friendships with others have grown more than before. Help us pray that these seeds will continue to grow as the Lord brings inspiration.

## Home Church Highlight!

This month, we want to highlight Calvary Tabernacle in Trinity, Texas! This church was so welcoming to us. We had such a great time with Bro. Hargrave and family both in service and while eating Tex Mex. We are so thankful for the support that they have given us in the forms of love, money, and homemade cinnamon rolls (lookin' at you, McCartys). God bless this church!

## Congratulations!

There is no way we could let this month go by without recognizing two of our

great friends here! They both inspire us with their amazing work ethic and love for truth! They both graduated with masters degrees from a university in Germany and we are so incredibly proud of them! Congratulations, Dina and Anjela!

**Thank You Again and Again!**

There isn't a day that goes by that we aren't reminded of how all of this was made possible. The Lord opened the doors, but your donations, text messages, phone calls, and prayers have encouraged us and supported us since day one. We simply cannot thank you enough for helping us get here. May God bless you all!
