

November 2023

# MISSIONS

## Barcelona

### Greetings!

I pray you are all doing well! Before I continue I just wish to say thank you. Thank you for your support, thank you for your prayers, and thank you for your encouragement. These months have been a blessing of opportunities and soul-winning. We do not have a Sunday in which God does not move, people are filled by the Holy Spirit, lives are changed and decisions to be reborn in the Name of Jesus are taken. There is great revival in Europe and you are as much part of this as everyone here. Thank you!

### Thanksgiving in Spain

During this month we began the Multiplicar Discipleship Class and I was given the opportunity to teach the first lesson. During this month I have also continued to assist with our music by playing the bass during church services. As the month continued I completed the first 2 levels in my Catalan classes and began the next B2 level with my fellow classmates! We are getting closer to fluent Catalan. At this point a small conversation is possible with the Catalunyan community!

Thanksgiving away from home can sometimes be a little difficult but we were able to have our own Thanksgiving feast with our friends and fellow missionaries! We even found turkey which is quite a find! All in all we were also able to celebrate a little tradition from home and be thankful for all that God has done in us and in Spain. Towards the end of the month we began preparing for our 25th anniversary national convention. We prepared to share the vision of Global Campus Ministries in Spain. We prayed for our conference and proclaimed victory as a breakthrough not just for Spain but for all of Europe!! During November I was also given the opportunity to preach at our Hospitalet church location where all the home groups of the area gathered with the new believers.

## Prayer Points

- Pray that we would have boldness and wisdom to reach our communities effectively!
- Pray for the Student Campus Ministry that is being initiated in Spain that churches and apostolic students would grasp the vision and begin reaching their campuses one at a time!
- Pray that as we enter into the new year, the church will be more united than ever and for there be a hunger and desire to reach souls and grow within our apostolic community!

Psalm 95:1-2

Oh come, let us sing to the LORD! Let us shout joyfully to the Rock of our salvation. [2] Let us come before His presence with thanksgiving; Let us shout joyfully to Him with psalms.
