

ATHENS, GREECE

NICOLE MCCORMICK

NOVEMBER 2023

There is nothing like being united under the name of Jesus! We got to experience this at our Multi-Cultural Sunday. Each cultural group got to praise the lord in their native language and share a dish from their country. God moved in a mighty way and you could feel the love of Jesus so strong. I am so thankful for my time in Greece and thank you to everyone who made it possible.

REVIVAL IN THE YOUTH OF GREECE

God is doing great things through the youth of Greece! I think it is so important to invest in the next generation, so I'm so glad we got to do a Jr. Youth event with the Crossroads Kids!

Our last Youth Unite was a huge success! We grew closer to each other and grew deeper in God. We celebrate with David who was filled with the gift of the Holy Ghost.
