Hollie in Spain

Greetings!

My name is Hollie Swanson, and I am an AIMer in the beautiful country of Spain. I am in the city of Madrid working under missionaries Brother and Sister Paul, and I am also working in a Spanish high school, teaching English as a language assistant.

Spain is in Revival

Spain's national conference was at the beginning of December, where numerous churches came together to honor the past, celebrate the present, and look forward to the future of the amazing work that is taking place. Over 4,000 people attended, over 80 students graduated from Bible colleges, and 667 were filled with the Holy Ghost. I am seeing how God is moving in the English services at Tabernaculo de Vida. There have been numerous baptisms in Jesus name, like the woman shown in the photo.

TESOL Experience

I have been working at my Spanish high school for about 3 months now, and I love the connections that I am forming with the students and my fellow teachers. I believe that God is opening up a door with one specific teacher, with whom I have been able to share about my faith. I am part of an English club called English Lovers, and as a club we do many fun things that gets the kids involved and excited, such as having a Spanish Thanksgiving celebration. The goal of the club is to give students a chance to practice their English in a fun environment, and during the celebration all of the students had a blast getting to bring in their favorite desserts (some from different countries) and sharing about them in English.

Thank you for your prayers and support as God guides me on this grand adventure!
