

Bible Study with Apolonia Joseph's family!

November 2023 News

Saipan Happenings this month....

Sister Apolonia receiving her Holy Ghost and Jesus Name baptism certificates.

New Bible Study

We have started a new evangelistic in-home Bible study this month. Do you remember Sister Apolonia Joseph (pictured left, baptized and filled with the Holy Ghost in August)?...

Apolonia's extended family has opened their home to receive Bible studies. Our first meeting had an attendance of 14 new faces! Please keep this Bible study in your daily prayers! We are hoping and praying for more souls to be added to the Lord's Kingdom!

Living Waters is slowly growing in attendance as well as growing in understanding. We are continuing teachings on Apostolic Doctrine.

Upcoming Plans & Prayer Requests

We are planning to start special discipleship classes for those who want more than Sunday & Wednesday services. We have one volunteer that is desiring to participate thus far.

We have a community outreach planned for our Christmas service and are setting up an outdoor tent on Dec. 17th. We will be singing and preaching outside a local apartment complex on the island. Your prayers for good weather, for the souls attending, and for an increase would be greatly appreciated!

We want to give thanks to all of our supporters. There is a new church planted and growing in the Northern Mariana Islands because of your continued giving and prayers. Your faithfulness in support is making this all possible. We appreciate you all so very much!
