

# December 2023

## Amber Allen AlMer to Fiji

December has been full of exciting happenings. It started off with a wonderful service at the Pentecostals of Lami and continued with the General Conference in Suva. We were blessed to have Brother and Sister Bounds as they ministered to Fiji. There were many that were filled with the Holy Ghost, baptized and healed.

New words I have learned

Marau ni Siganisucu - Merry Christmas

As 2023 came to a close, it was an honor to celebrate with First International at a Christmas Banquet as well as ring in the new year with them at Family Camp in Pacific Harbor.
