CHRISTMASTIME IN POLAND

This month was filled with holiday festivities, and God worked in the middle of it all!

Our contacts come from many different backgrounds and religious affiliations, so it looks different for everyone.

PRAYER REQUESTS

- For spiritual eyes to be opened to the light of the gospel, and spiritual strongholds to be broken so the Kingdom of God can be built here.
- For continued vision and boldness as we seek to move forward, partnering with God to reach this city and nation.

Some celebrate the Catholic way- with midnight mass and no meat for the Christmas Eve/Day dishes, and others celebrate Christmas and New Years at the same time, or in early January for Orthodox Christmas.

We were so thankful to have the Carsons come from Paris, France to minister at our Christmas hotel service! They not only ministered to the church, but to us as well. We pray God blesses them a hundred-fold for the blessing they have been to us!

Our Christmas was simple, with a Christmas Eve service, then food and fellowship, and Christmas Day with a small gathering at our home with food and games.

JOURNEY TO A POLISH HOMETOWN

We were invited to a Polish friend's hometown this month! We were able to go for the day and see the city of Płock, a city in central Poland that is known for its history as one of the first capitols of Poland. This city is about 1000 years old.

While there, our friend and his family hosted us for breakfast and lunch, and we had a wonderful time meeting his family and getting to know more about Polish culture and their way of life.
