*“For unto us a child is
born, unto us a son is given:
and the government shall be
upon his shoulder: and his
name shall be called
Wonderful, Counsellor, The
mighty God, The everlasting
Father, The Prince of Peace.”
Isaiah 9:6*

Our focus this month was prayer. There is so much need here for a Savior. We do not have the ability to make a difference in this city without His help. Prayer is so vital. We felt lead to do a prayer walk with Brother and Sister Koch around Saint Clement Cathedral.

We have experienced moves of God during our Sunday meetings with Brother and Sister Koch. We have felt the LORD during times of worship and preaching.

A vision for the Church in Bulgaria and its future has been birthed, and we believe that every door will be opened and God's perfect plan will come to pass.

We have focused on spending time walking through various areas in the city praying, interacting, and shining a light in a dark world.
