

FALLONS IN JAPAN

December 2023 Update

Tokyo (pop. 13.96 million)

WHAT'S NEW...

We are full of thankfulness as this year ends, grateful for the power of God. In December, there were 3 filled with the Holy Ghost, and 1 baptized in the wonderful name of Jesus! We had a wonderful Christmas event, with many backsliders returning, and many new faces. Merry Christmas and a Happy New Year!

PRAISE REPORT/ PRAYER REQUEST

Please Pray for Ishikawa Prefecture in Japan. They were struck early in the new year with a category 7 earthquake, with at least 100 people dead, and many displaced. Please pray that God would bring people to the knowledge of the truth in this end time.
