

Greetings!

December 2023

I pray you all had a wonderful Christmas and Happy New year! The month of December in Spain consisted of a wonderful time of revival and new beginnings! We began the month of December with our 25th anniversary Spanish convention celebration. We had a record of over 4,500 in attendance and among these, 667 received the Holy Spirit! We also had 85 students graduate from the combined three Bible Colleges in Spain all of them ready to pursue the call of God in their lives and gather the harvest the Lord has prepared!

During the conference in Madrid I was able to help with our Campus Ministry booth. I was also able to help during our children's service where we had many children receive the Holy Spirit! Once the conference was over we returned to Barcelona and began to prepare for the coming weeks. The next weekend I was able to visit Andorra and help with translating the service to English and celebrate a time together with the believers of the church.

We celebrated and gave honor to all the ministers who have worked throughout the year to expand the Lord's kingdom. I assisted in preparing food and serving during these times. I was also able to assist Bro. Denis Gonzales with an interview showcasing the release of his new book.

With the help of Bro. and Sis. Uecker we were able to host a couple of students from my language school for Christmas Eve.

Not long after the 25th, we had a special and historical event and I was given the opportunity to be a witness. The building we had been waiting on for months was finally signed by the Catholic Pope in Rome and the process was finalized in what is now officially our church in El Barri de Gracia in Barcelona. This local has been a miracle in such a way that the bishop and archbishop voiced their understanding in the hand of God in all that had concurred up to this moment.

We are blessed to have witnessed such a miracle as the church was preserved as a house of God and kept from becoming a place of commerce. The location the Lord has given us is right in the heart of the city, Out of this location many will be equipped, empowered, and sent out unto the world to preach the Gospel of Truth!

Prayer Points

- Pray for the church of Andorra, as we continue ministering to the church that foundations will be established among the believers and Truth shared throughout the capital!
- Pray for the Spanish Campus Ministry that a heart and desire for reaching students will be ignited in the hearts of our brothers and sisters as we begin to evangelize our colleges and universities!
- Pray for our new church location in Gracia. There is much work to be done to prepare for the summer of 2024. Pray that we would be a good witness to the community specifically the Catalanian community.
