## Happy New Year and a bit of 2023:

*3rd-4th Quarter 2023 Update Allison Mitchell*  
*UPCI Associate Missionary to the United Kingdom*

Every blessing in this new year from the United Kingdom! I am grateful for your prayers, Partners in Missions and the hand of God which have allowed me to serve in across the United Kingdom and Europe in 2023.

Truly it is a partnership of faith, and I pray God's blessings over your vineyards as I bring "good reports from a far land," in these last two quarters...

Please enjoy my "highlight reel"

*An honour to speak to our singles at London and South Ladies Conference in **September**—Thank you Sis Sadie Burnett and her team for an amazing event with the Holy Ghost meeting us. Lives were transformed by Him.*

In **July** Euro AIM had our very first Missions Trip to Tallinn, Estonia where our team served in Evangelism and Translation for Baltic Conference, and with the great people at Tallinna Elujõe Kogudus. We are so grateful for the Turners! On my way back I got to to translate for the German Minister's Retreat—how powerfully God moved in our midst. Truly I'm in awe of what He's doing in the GSN. These are incredible warriors! Also pictured Gen Con Evangelism and fellowship in Wales, Euro AIM Promotions in Belgium and Italy, and hungry hearts in Milton Keynes (and my friend Sis Sandy Negron of Military Ministries in Landstuhl)

*In **August** UPC GBI held our General Conference (click [here](#) to see the Missions Service!) and Liberty Worship Centre littles led us in worship and joy complete with fancy mics! Also pictured filming Missions Videos, Conference Committee Meetings on Zoom, the great folks at Sion Padina (Pastor and Parents of Euro AIMers,) Sis Evelin and Sis Georgina, faithful pillars of the faith (Sis Evelin serves in translation every month for the Prayer Commission—thank you COA!) our District Superintendent Sis Frater and Rev Betty Badenhorst ministering to souls in Bournemouth and the Central District, and Rev Faith Groves who served on Euro AIM to Portugal where one soul received the Holy Ghost as a result of her ministry teaching ESL online!*

*Liberty Worship Centre took the worship outside and into our communities for Summer Sundays in July and August—pictured here at Southwold Beach where Jesus was glorified! Some of our Newest Euro AIMers from PD Londres on our way back from Ireland, and Euro Ladies Retreat capturing a moment of intercession led by my friend Sis Harmony Pace in Vienna, Austria*

*The Dream Team promoting in Italia for their General Conference! to say we LOVED worshipping with our Italian brothers and sisters was an understatement—waves of His glory came down, and His burden for Missions was so evident. Rev Samuel Ackah has been doing a great job leading us, and AIMers like Sis Mary Faith Santos from Busto Arsizio are now serving all over Europe online and in person! If you would like to support the work Euro AIM is doing across Europe you may [donate here](#) (make sure to reference Euro AIM) and please keep the team in your prayers. Together by His grace we CAN see this generation empowered for service!*

Along the way in 2023 we also Prayer walked with the National Missions Team in York, where a new work is rising under Rev Barry Miller, held a POWERFUL training session with Rev Jason Sciscoe for Euro AIM online (you can watch [here](#), seriously, we watched it for days afterwards..) got to hang with Baby Teddy in Gilford (it's a thing,) translated for Euro Ladies (and got to work with our great Translators,) design a few things, and have Rev Eric Winkelaar (UPCI Netherlands) minister with demonstration and power of the Holy Ghost in Milton Keynes for CD Missions. Strongholds of religion are coming down across Europe in Jesus name!

*Speaking of strongholds coming down, God is opening cities to the Gospel with the first UPC service in Norwich with Life Tab Peterborough and Liberty Worship Centre coming together to reach this community with the Gospel. There's been an incredible amount of intercession for this city, and LWC has had consistent members travelling over an hour each way for service over the last year—God wants a church in Norwich! Also pictured National Missions Team and York Church plant praying in York Minster, one of the largest churches in England, and Sis Kelley teaching our ladies in Italy on Praying for Nations. Step by step we're moving forward! Please help us pray for labourers and cover these teams.*

*It has been a blast seeing what Jesus is doing, the leaders He is raising up, the work He has allowed us to build in and upon, and experiencing His glory! Europe is ripe for revival! God has hungry hearts in every nation who are crying out to Him and I am so grateful to be a part. Thank you PIM's for being a part of His vision!*

**December** held Passport Renewals, more paperwork, and Christmas events galore.. oh wait, I left that line in there! *C'est vrai* ! not to mention the joy of connecting with so many of you in the United Kingdom and with the Wallace family (and Brochu's) who kindly hosted me for Christmas in France! Joyeux Noël ! ¡Feliz Navidad! (the pictures are throughout :) and our second service in Norwich with LWC.

As we come to the close of the year and enter this new chapter 2024, I want to thank you, my Partners In Missions, for making it possible. 2023 held many challenges which by God's grace, and through your prayers and support were overcome, THANK YOU so much. We do not war alone but as an Army with the Lord of Hosts on our side! Through HIM we have seen many joys and victories with many more to come for United Kingdom and Europe!

In 2024 there are some additional housing needs (and just needs) which have come up due to the cost of living crisis in Europe, and travel costs for the work I do in United Kingdom and Europe—I prayerfully ask you to consider giving to help serve the UK and Europe, at \$25, \$50, or \$100 per month using the links below, or make a one time offering.

I am in need of 10 new monthly sponsors. Thank you to new and long term Partners in Missions!

TRANSPORTATION UPDATE: As you can see, there has been a lot of GO in 2023! Transportation prices have increased, as has my travel schedule, so if you want to become a monthly partner towards my travel or make a one time donation, let me know! (Feel free to ask me about this specific need)

CITIZENSHIP UPDATE: After 16 years in the UK, I have completed my application for citizenship— THANK YOU for your sacrificial giving towards this area! I will keep you informed on this process—its been a long haul but finally everything has been turned in!
