Missions

MERRY CHRISTMAS!

December was another full month for us along with all of the Christmas festivities. We started our month with the UPCI Fiji General Conference. Bro and Sis Aaron Bounds came to Fiji and ministered for the conference. We had incredible moves of God, amazing times of worship, anointed preaching and over 20 received the gift of the Holy Ghost on the last night! Matt spoke during the Sunday school service to promote next season's Bible Quizzing material and Onnalisa spoke alongside Sis Wickett and Sis Bounds at the lady's session.

ACTS GRADUATION

During General Conference we also had the graduation service for our ACTS Fiji Bible school graduates. We were so blessed to be a part of the teaching staff over the last couple of years and it was so great to see these students grow through their studies and to share in this exciting day! Matt also received the teacher of the year award!

WEDDING BELLS

This month we also went to our first Fijian wedding. It was so great to experience this part of the Fiji culture. We have enjoyed learning so much about the Fiji culture during our time here and this was definitely another great experience. We are so happy for our friend Sis. Lute (one of our ACTS Bible school admins) and her new husband Bro. Nakune as they endeavor together for the will of God in their life!

CHURCH

We were blessed to minister on Christmas Eve at the Pentecostals of Nadi and two were baptized! We then ministered on New Year's Eve at CLC Narewa and had a great service! Matt preached on choices for the New Year. As for me and my house we will serve the Lord!!

We had such a wonderful end of 2023 and look forward to what 2024 holds for us! We know God has a lot planned and we are excited to see it all unfold! Please continue to pray for us as we continue our mission's journey as we are now in the application process for full time intermediate status. Thank you so much for all of your prayers and support!

Cod Bless,
