

# January 2024

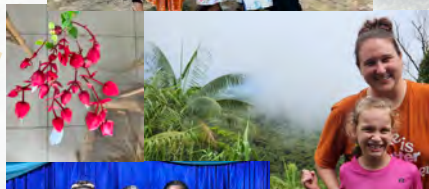

## Amber Allen AlMer to Fiji

The start of this year has been an adventurous one! It started at Family Camp with my First International Church family. It was a great honor to help with the kids' services as well as participate in activities and services during the week. The Sunday following Family Camp I had the opportunity to teach Sunday school at Navaka UPC.

It was great to be able to go back to Sawani Apostolic Pentecostal Church and worship with them once again. This month I had the opportunity to travel with the Wickett family to Taveuni for Youth Training Seminars and Sunday services.

The last Sunday of this month I went to Lighthouse Tabernacle. There was a baby dedication and focused prayer over the children starting school. At the conclusion of the service there was a mighty move of the Lord. Exciting things are happening in Fiji!
