SPAIN

JANUARY

Although, I love seeing friends and family. I truly love getting the chance to be back in Spain, it truly does feel like home.

Grateful for the Campus Ministry training we were able to do at LPBCN (Ministerios Universidades Globales). Excited for what is to come and learning how we can follow up to see MUG begin and flourish throughout Spain.

Had the opportunity of making a trip to France to see a young man get baptized that I have had the privilege of doing bible studies with these past few months. I am excited for what the Lord has planned for him and looking forward to getting additional bible studies and just to continue to be a part of what GOD is doing!

DECEMBER

God has been so faithful! As you all know the general conference in Spain was a historic moment and had a ripple effect I believe beyond what we can even imagine.

After the General Conference, I returned home to be a part of our HYC as it was my last one as the p7 coordinator for Florida. So grateful for those that were walking by that received the Holy Ghost during the services with Bro. Bounds and the 3 that were baptized in the pool of the hotel (photo on the bottom left of one of the baptisms). So grateful for what the LORD is doing globally.

DEPUTATION

The time has come, I was able to stay in Spain longer than anticipated but am now in need of additional funds. I have started deputation and feel the burden to return to Spain. Thank you for all that have partnered with me and have given! May the Lord continue to bless you abundantly! Thank you for all of your prayers as they are felt!
