HAPPY NEW YEAR

This month has been filled with exciting updates!

We have continued English club meetings, which have been a wonderful place to make connections with the international and Polish communities in Warsaw. This month, we were able to reserve seats for English club each week at a prime location in the center of the city. We average over thirty people each week. We are thankful for this open door to reach people from all over the world!

Other gatherings are growing as well. Our most recent hotel service had six contacts present, representing four different nationalities in one meeting. There is a hunger for more of God, and we are looking forward to seeing how the Lord will continue to work!

PRAYER REQUESTS

- For spiritual eyes to be opened to the light of the gospel, and spiritual strongholds to be broken so the Kingdom of God can be built here.
- For continued vision and boldness as we seek to move forward, partnering with God to reach this city and nation.

At the beginning of this month, we said "see ya later" to Jewel as she returned to Romania. Towards the end of the month, we welcomed two members of the AIM team, Kassidy and Becky, back to Warsaw!

LOOKING AHEAD

Here in Warsaw, we believe the Lord is building a foundation for great revival in Poland. We are looking forward to what God has in store for 2024!

We are seeking the Lord's will for the work here in Warsaw and beyond.

After seeking what the Lord is asking of us, we have applied for the next level of missionary service as AMPers to Poland.

Stay tuned for more details in the future!
