

Hello, 2024!

And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers.

Acts 2:42

2023 is over! We're excited about the things God is doing and going to do in 2024. Let's recap the last couple months and talk about what we have to look forward to this year!

A Visit to Home

We were so blessed by some friends and family who helped us make it home for the holidays! We got to rest and take in the ministry of our friends and family (and that good ol' southern cooking). We met new babies and congratulated newlyweds. The Lord knew exactly what we needed and we are so grateful for his provision.

We're thankful to everyone who gave to our mission and/or provided prayers and words of encouragement.

The Sanctuary of Luxembourg

We had a Christmas opportunity that many guests attended. Friends we made, that never met our church group, came to fellowship with us. We ate and laughed together and then each of us told testimonies of God's goodness around the room.

We pray and hope that the witness of the redeemed made an impact on the lives of our friends who haven't yet received salvation. To God be the glory for the seeds planted here.

It has been wonderful to see everyone from our little church group again after our visit home. We welcomed a new member to our group! Her name is Hannah and she moved here from Norway. We're thankful for believers of the apostolic doctrine that are all around the world!

Farewell to the Browns

We'd like to give a huge shoutout to Brent and Janene Brown for operating the work in Luxembourg while we were away. They kept up with Bible studies, prayer meetings, services, and much more and we cannot thank them enough for all they've done to help us. Sadly, they left us to continue their missionary journey elsewhere. We pray the Lord will continually lead them on their mission!

Home Church Highlight!

For this month's newsletter, we would like to highlight a church that is very important to us. FAC Tyler is pastored by Rev. Chad and Danelle Mooney, our youth pastors when Hallie and I were teenagers. Because of their investments in us from a young age, we believe we would be in a different place if it hadn't been for them. We're thankful for their leadership and counsel. We're thankful to their church for their support and prayers extended to our mission. May God continually bless and grow this church!

What's Next?

We have completed our CME (Continuing Missionary Education) courses required in order to apply for full appointment and we are very excited to begin that process! Our future still holds many unknowns (what's new? Haha), but it also holds the promises of God, many visitors from home, and many opportunities to share the Gospel with lost souls. We have some new developments in our mission that we look forward to sharing as soon as it is certain. We ask that you please keep us in prayer as we follow the peace of God and His calling!
