MISSIONS

Barcelona

Greetings!

Happy New Year! Before I continue, I want to say thank you for accompanying me on this journey to the end of 2023 and continuing with me into 2024! I pray the Lord continues to bless you every day in abundance!

January 2024

- During this month we were able to begin with the cleaning and remodeling of the Gracia Church location.
- I also was able to present a plan for the young adults ministry in Spain to the church's Youth Committee, we will begin this ministry in the month of February!
- We ministered in Andorra and witnessed a long awaited spiritual breakthrough in the church!

Andorra la Vella- Andorra

The purchase of the catholic church was big news for the neighborhood.

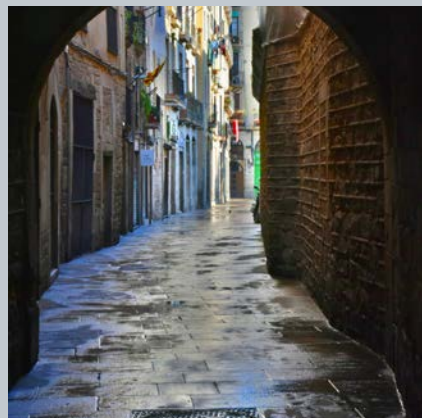

Continued...

- During this month I was also given the opportunity to teach on a Wednesday night service.
- In January I was able to take part and assist in our Global Campus Ministries seminar in Barcelona with Sister Bianca and Bro. Uecker.
- We had visitors from many churches and so it was a great blessing to have been given the opportunity to share this ministry to many
- In the end we concluded the teaching with prayer walking the University of Barcelona.

Throughout this month I have continued with my Catalan classes and have been able to connect with more students.

- I was also able to submit all my documentation to renew my student visa so that I may remain in Barcelona for a longer term.
- I also worked in assisting my supervisors; Bro. and Sis. Uecker throughout the month as we prepare for the summer to come.

Prayer Points

- Pray for the Catalanian community that as the church makes its presence known, all mistrust and fear of religion will begin to fade away and that they would begin to feel the Love of God and be open to hearing the Gospel of Truth.
- Pray for the young people in the church that they would feel motivated to reach their fellow classmates and speak the Truth boldly in their campuses.
- Pray that throughout the city of Barcelona, wherever we may walk, that we would have the boldness to speak the Gospel of Truth and the love of God within us that whoever might encounter us would not see us but the Lord we serve and know His love.
