Starting the Year Right

In the month of January, we have participated in regional, national, district and local prayer rallies! As we continue into 2024, please keep the nation of Scotland in your prayers. Watch the video (above or to the left) to hear the pastor of the only UPC church in the Highlands share some prayer points.

Edinburgh Youth

We held our first Youth Night this month! We are planning to make this a regular occurrence as God is clearly wanting to do a work in our young people. We are believing that they will grow together in unity and spiritual maturity this year.

Ladies Gathering

While Dylan hung out with one of the other husbands and the children, Sabrina worshipped with the 13 ladies gathered together in one of their homes. We are very proud of all: leading in worship, speaking, inviting friends and ministering through food and fellowship. It was special for Sabrina to see a friend, who had received the Holy Spirit at Church of Hope, walk in, after having lost contact for a few years.

Exciting News!

In the next school year, beginning September 2024, Harvest Bible College will be resuming on-campus learning! Check out the video (below or to the right). If you know of someone who may be interested in furthering their Biblical education while also gaining practical missions experience, send them to our website to learn more!

Harvest Bible College

Also on the website, under the Events tab, there is an opportunity to sign up for HBC's upcoming short course on Counselling and Family Issues, online and available in English or Spanish.
