

GUATEMALA HARVEYS ON A MISSION

AIMing with purpose

Second AIM Term

This term we have the honor of serving in a new and different way.

While the Thompsons are on deputation, we are holding down their fort and working on smaller projects. We also are visiting more churches, meeting pastors and leadership at various congresos and Bible Institute events.

With only nine weeks left of this term, we endeavor to treasure every moment and opportunity the Lord has allowed us.
