

# DECEMBER/JANUARY

ANDREW & NATALIE KOCH

AIMERS TO SOFIA, BULGARIA

## ARRIVAL

After much prayer we felt the Lord leading us to Sofia, Bulgaria! We are so happy to be here and help establish the first Apostolic church in the capital city of Bulgaria.

We were excited to start having church right away. We are so grateful to also be here with the Butler family who feel a burden for this country as well! We gathered together and prayer was made. We walked around the center of the city and began to pray for revival in this great country!

After our prayer walk we visited a Trinitarian Pentecostal church whose church doors have been open for 90 years. We made very good friends with them and we hope to be an Apostolic witness to the Pastor and their church leadership!

### Prayer Points:

Pray the Lord would open every door.  
Pray that truth would reign in this city.  
Pray for wisdom and strength for all of the laborers in Sofia.
