## Baptisms

This month we had the blessing of 4 more souls going down in the waters of baptism in Jesus name!

We have continued our "in-home" Bible study efforts with Sister Apolonia's family in Garapan and 3 of the souls baptized this month were from that study.

This month we also had a visit from the Armstrongs who preached and ministered for us here on Saipan. It is our prayer the Lord will make a way for them to return in the future! They have been a wonderful blessing to the saints here!
