“If Jesus Christ be God and died for me, then no sacrifice can be too great for me to make for Him.” – C.T. Studd

Thank you so much for every sacrifice you make to give to missions. Lives are being changed! Jesus is moving in Tanzania! Thank you for your continued prayers.

Greetings in beautiful name of Jesus!  
Happy New Year!

We pray you are doing well, and had a wonderful holiday season surrounded by those you love. We were very thankful to return to America for the holidays. We have been in Africa for the last five Thanksgiving seasons, and the last three Christmas seasons! It was wonderful to be back with those we love celebrating our favorite time of the year! It was even better to have some time with both of our kids again! We were able to visit our son where he is currently serving in Alaska in the Air Force. Memories were made that will be treasured forever! Thank you so much for your prayers as we traveled!

We arrived back to Tanzania January 14. Things were definitely busy as soon as we arrived. Jason started right away working to get the church construction going again.

Although there have been some delays, things are progressing well. We really look forward to having our first service with everyone in the new church building!

We are happy to say that God provided us with a safe and cozy apartment! It was a little more challenging this time to find an apartment, but God took care of it. We also believe God directed us here, and we ask for your prayers for those here in the apartment complex. We believe God is going to open doors for us to minister to the people here. We are looking forward to seeing what God does during our time here.

It has been so great being back here in Tanzania with our churches. God is continuing to move. We love seeing the continued growth!

The newly elected superintendent of the UPC in Tanzania, Bro. Mushi, is doing an awesome job. He has a big job with lots of responsibilities. However, he is also passionate about reaching the youth and children. A lot of times kids can be a lower priority. However, he is working hard to help all of Tanzania catch the vision to reach our youth and children! We are excited about working with him to help spread his vision. We know we are going to see many more great things happen. We are looking forward to providing more training in this area over the next few months. We are praying more of our church members will feel led to serve and teach our children. We have a lot of work to do!

This month was a great start to 2024. We pray it has been for you as well.

We hope you know how very grateful we are for your prayers and support. We truly could not be here right now if it wasn't for you! Your prayers are vital to the work here in Tanzania, and all across the world.

We pray God richly blesses you and your family in this year. We serve an awesome God, and He loves you!
