The Pattersons came for the weekend of the 18th and we were able to plan with the team in person, which was wonderful! (See top right picture)

At the end of the month, we helped at a conference in Krakow, Poland, with Jackson speaking in a youth split session and Alyssa assisting with music.

We also did prayer walks and continued with our weekly meetings: Tuesday English club, Wednesday prayer, Thursday Polish language practice, Friday game night, and Sunday worship service.

PRAYER REQUESTS

- For spiritual eyes to be opened to the light of the gospel, and spiritual strongholds to be broken so the Kingdom of God can be built here.
- For continued vision and boldness as we seek to move forward, partnering with God to reach this city and nation.

AUSCHWITZ-BERKINAU

This month, visited the Auschwitz-Berkeinau concentration and extermination camp located in southwestern Poland.

This camp was the largest of its kind - designed and used by the Nazis during World War II.

These train tracks pictured above were the "end of the road" for so many men, women, and children. Over 1 million Jews perished here, as well as other national and religious minorities.

As we toured the grounds, we prayed that God would heal the foundation of this great country. That he would restore the years the enemy has stolen, and give new life and hope to those still affected today.
