

TO ALL NATIONS

MARK 16:15

At the end of February, we had an amazing group from WI come and lead us in a building project. This church was built in the Los Alcarrizos area of Santo Domingo. Now, the people in that area will have a place to worship the Lord together in unity.

At the end of the dedication service, they donated Sunday school supplies and books for the teachers and the children they will teach.

I have been on AIM now for one month, and in just the past month, I have been able to be apart of so many wonderful things God is doing in the beautiful country of the Dominican Republic. February was such an awesome month and I am so excited to see what God has in store for the next two months!

- At the end of January, 2000 people gathered from all over the country at the National Convention to worship the Lord.

- In the beginning of February we had an amazing group of ministers from Missouri come and lead us in a week full of children's services and seminars for Sunday school teachers. In all the services we had, there was 29 precious children filled with the gift of the Holy Ghost.

- Proverbs 22:6, "Train up a child in the way he should go; even when he is old he will not depart from it". Never take the role of a Sunday school teacher lightly. We will surely reap in due season if we do not give up. When we invest in a child, we are pouring into the kingdom of God.

- Jesus said in Matthew 19:14, "Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven". These children were hungry for the things of God and it was amazing to see the Lord touching their hearts in such a special way. One of the little girls pictured in the above left was delivered from an evil spirit and she left that church service in her right mind and forever changed. God hath not given us the spirit it of fear, but of love, peace, and a sound mind. For this promise is unto you and to your children.
