

February in Uruguay

Youth Camp was a great success with 7 receiving the Holy Ghost and 3 being baptized in Jesus name. I am so thankful God gave me the opportunity to share my testimony and work in the altars with these students. It was truly a life changing event for so many of them!

OUTREACH

Myself, the new pastoral family (The Urango's), & bro Daniel went to local parks, plazas, and high traffic areas to pass out tracts, church invitations, and speak with local community members about Jesus!
