

# February's Friends, Food, and Fellowship

*And they, continuing daily with one accord in the temple, and breaking bread from house to house, did eat their meat with gladness and singleness of heart*

*Acts 2:46*

We've been blessed this month with lots of friendly visits, beautiful sights, and revealing prayers. Take a look at some of our favorite moments! First, was a great visit with our friend and leader, Rev. Paul Brochu. He stopped by our little town for some work, dinner, and fellowship. We are so thankful for his voice in our lives and the integral part he has played in our missionary journey thus far.

## The Sanctuary of Luxembourg

The Lord continues to work in the country of Luxembourg. We are thankful to be seed-planters in the global harvest we have faith to see. This month, we had a visit from Anjela along with her cousin and two sisters. They ministered to us with their kindness, presence, and food!

We went on a "prayer drive" this month. We have done many prayer walks but we wanted to cover more ground so we drove all the way to the very north of the country and back down. We prayed as we drove through many small towns envisioning a work in every one.

God Bless Luxembourg!

## Riley's Birthday

Happy Birthday, Riley! This party was such a great show of love for Riley. We laughed, ate food, and opened gifts. We love our group of friends from all over the world and are blessed by their presence in our lives.

This is our friend, Vik, and the owner of our favorite coffee shop in Lux City. He was so fascinated by my Stanley cup! Since he had only seen them on the internet, he laughed so hard when he saw it the first time.

This is Nicolas and Natalia! They are from France and Colombia respectively but now live in Canada. They were visiting his family and found our church online. We were so happy to meet up with them and talk about God. They introduced us to another friend of theirs who lives in Lux. We hope to build a friendship with him! Thank God for connections made and seeds planted.

## Home Church Highlight!

This month, we would like to highlight Way of Life Church in Pflugerville, Texas. Pastors Jason and Julie Ouellette have been everything from youth leaders to young adult teachers to music directors in our lives. They have had an incredible impact on our growth and development over the course of our lives and they continue to be a support to us. We are thankful for them. Also, shout out to their children's ministers, Hanna and Caleb Ivins! These are lifelong friends of ours and their friendship is invaluable to us. God bless Pflugerville!

## Upcoming events!

We're so excited to have friends, Jenna McLaughlin and Cassandra Fountain, visit us from Texas! They will be ministering to our church in word and song and we can't wait!

Next month, we will also have the privilege of attending the Germany national conference. We're looking forward to the ministry of Rev. Nathan Harrod and Rev. David Bernard. We expect great things!
