## Exciting things with Global Campus Ministries!

**Austria - one was baptized this past month from the Technical University in Vienna, Austria.** This has opened a door unto another university campus in Vienna, Austria. Presently we have Bible studies with students from the VetMed University, University of Vienna, and now the Technical University. We praise God for what the Lord is doing! In February, Sis Carol and Br Claude organized an amazing Hyphen Winter Retreat in Vienna, Austria. We left encouraged and ready for what the Lord is going to do through us Hyphens! :)

**Holland and Belgium - 4 apostolic students from Holland and Belgium contacted GCM-GSN on how we do campus ministry here in this region. We had a quick run-down and training over ZOOM (thank you, Jesus for ZOOM!) and the next week they implemented what they were taught and **one received the gift of the Holy Ghost and a on campus Bible study with 2 other students!** The Lord is doing a quick work!**

**France - Sis Jolie Victorie and her wonderful team from churches across Mulen and Paris hosted a worship night where students from across multiple universities came together to food and worship - **two received the Holy Ghost that night!** We need to worship Jesus for what He is doing!**
