BULA!

Hello! We pray you all had a great month! We started the month with GATS training and were blessed by the ministry of Bro Romine and Bro Anderson! We had a great rest of the month with our involvement in teaching at the Bible School and ministering at different churches each week. We have had another incredible month and are blessed to be in Fiji!

GATS TRAINING

Bro Romine, pastor in Illinois, and Bro Anderson, missionary to Brazil, both came to Fiji to help with GATS training for all of the professors at ACTS Bible School as well as the Fiji UPCI leadership. It was a great time of learning, education, and growth for everyone involved!

MINISTRY

We continued to minister at different churches throughout Fiji and have been so blessed at each service. We have seen people filled with the Holy Ghost and baptized in Jesus name! Onnalisa also had the opportunity to speak at the Fiji UPCI General Ladies Committee meeting. It was a great time of fellowship and devotion with an incredible group of women!

BIBLE SCHOOL

Matt has continued to teach at the Bible school and lead chapel through the week. This month he dressed up like John the Baptist for one of his Life of Christ classes. The students loved it and it will definitely be a class they never forget!

We are so grateful to each one of you for making it possible for us to be in Fiji and to minister here! We have just over a month left until we leave to head back to the States in April. We are looking forward to the steps ahead in our missions journey and where God is leading us! We are praying for blessings over you, your family, and your church!!

God Bless,
The Nash Family
