Rev. Jackson and Alyssa Brooks

A YEAR IN EUROPE

This month marked one year since we arrived in Europe, and 11 months in Poland! Time has truly flown by, and as we have grown accustomed to the culture and unique aspects to life in Central/Eastern Europe, we have grown to love this place and these beautiful people more and more.

Thanks to your support, prayers, and giving, we have had a successful year of many seeds planted and contacts made. We have seen prayers answered and witnessed miracles of healing and deliverance, and God is changing lives!

At the end of April, we will return to the States to visit family and raise funds for our next term of service in Poland. We are hoping to come back to the field for another 1-2 year term within 6 month's time.

We invite you to pray with us for our contacts, that they will continue to become rooted in the faith, and that God will bring us back to Poland in His perfect timing.

Thank you for continuing to partner with us, pray for us, and for your support as we seek to see a strong national work planted here. You are a part of what God is doing, and we are so grateful!

MONTHLY UPDATE

This month was spent planning two events coming up here in Warsaw, as well as starting preparations for our return to the States at the end of April.

We have been teaching Bible Studies, meeting with newer contacts, and finalizing paperwork for numerous different aspects of our work here. We have had some wonderful services, and Easter was a wonderful time of worship, Word, and fellowship (and of course, food!)

We have continued to learn Polish, and have been in a time of prayer and fasting for the upcoming prayer event happening here in Warsaw April 11th-15th.

We invite you to pray with us, believing for an outpouring of the Spirit and new breakthroughs as we seek for God's Kingdom to be built!
