ELIZABETH CASTILLO

THE WHOLE GOSPEL TO THE WHOLE WORLD

WHAT HAS HAPPENED

This past month my students have learned many lessons about salvation and walking daily with God and have begun to seek the Lord during altar call out of the desire of their heart and I believe it won't be long before they are baptized in Jesus name.

This past week I was able to attend the 50th Anniversary of the UPCI of Bolivia's National Conference. There were powerful messages preached and wonderful times of worship and fellowship had over this past week including 3 Baptism, and a miracle I witnessed first hand. God is just getting started in Bolivia and I can't wait to see what He does next.

WAYS TO PRAY

Next month we have national kids day with most churches holding a special service just for the kids so please join me in praying that those all go well and that many kids receive salvation and that the Lord would bless the children's ministry and its leaders.

As always thank you for your continued prayers and support!

If you would like to see more photos & videos of my time in Bolivia please feel free to follow me on any of my social media platforms.
