## WHAT'S NEW...

God is Good! March was full of special events, with Caleb having the opportunity to preach on a National youth ministry call. Naomi was also active in Sunday School, with several new children attending.

We have had one receive the Holy Ghost, and one baptized this month!

We had a wonderful Easter Sunday, with many new Japanese speaking guests, and a tremendous youth service. Many youth were prayed for, and received their answered prayer and blessings.

## PRAYER REQUESTS & PRAISE REPORTS

We are currently planning to travel back to Canada for the months of July and August. We will be deputizing and raising funds to continue our call in Japan!

Please pray with us that God continues to open doors.
