

Marching into Spring

Let my teaching drop as the rain, My speech distill as the dew, As raindrops on the tender herb, And as showers on the grass. For I proclaim the name of the LORD: Ascribe greatness to our God.

Deuteronomy 32:2-3

The magnolias have bloomed, the sun is shining (sometimes), and Spring is here! We are thankful for this renewing in our environment and in our lives. Read along to hear about what God did this month in Luxembourg and beyond!

The Sanctuary of Luxembourg

The Sanctuary continues to meet every week for a time of worship and sharing of the Word. This month, we were thankful to have two first time guests with us! One of which, has come back every week since. We thank God for this growth!

This month, we were also blessed by multiple guest ministers. Our friends from home, Jenna and Cassandra, gave beautiful messages from their hearts; and our regional director, Rev. Paul Brochu was with us on Easter weekend and we were all mightily blessed!

As some of you may know, Hallie and I are coming home in June! This exciting news brings some unexpected costs for our budget. If you are able to support us with any offerings, we would be so thankful. We thank all of our supporters for what they have given so far. If nothing else, we covet your prayers and phone calls. God

bless you all!

The updates continue below!

A Visit from Home!

One of our most exciting adventures yet has been a visit from our long-time friends, Jenna and Cassandra! Words cant express how refreshing this visit from home was. These are some of our closest friends and we love that we're even closer to them now. They ministered in our Sunday service, saw sites in European, and ate all of the new foods that are unique to this continent. We're so thankful that they could come and spend time with us. We pray great blessings on their futures and ministries!

Germany Conference

This past month, we were honored to attend the General Conference for German Speaking Nations (GSN). We had a beautiful time in worship and fellowship with fellow missionaries, AIMers, and AMPers. The Word of God was delivered by General Superintendent Rev. David K. Bernard, European Missions Director Nathan Harrod, and Rev. Paul Brochu. These excellent men of God encouraged us in faith, doctrine, and growth. May these preparations lead to Holy Ghost outpouring in the GSN and beyond! We have never been people to focus on revival in just one location. Thank you Jesus for the opportunity to attend meetings like this!

Home Church Highlight!

This month, we're honored to highlight the pastor and family of Calvary Church of Granbury, Texas. This is home to our dear friends. They have supported us financially and in prayer since the beginning of our journey. A huge shout out to

Jacob and Theresa Stump and family for being our friends and for going by giving! Also, Macey for being one of Hallie's bffs <3

Qori and Andrija

Last year a friend of mine told me of a married couple living in Croatia who were interested in Bible studies. There isn't a church near them, but they were willing to be taught a Bible study over Zoom. Since November we have met almost every week for a Bible study. We've grown closer to the Lord together and I'm very excited to provide more updates about this beautiful couple in the next months to come!

Help me pray for revelation and revival in their hearts!
