

March 2024

This month has been full of many victories! I was able to hold my first service in Siauliai with eight people in attendance! I'm so grateful to be able to work in this nation. I was also able to give away a Lithuanian Bible to a family who has never had a Bible before. Praise God. Please keep this nation in your prayers and that God would continue to move all of the Bible studies forward.

This month also held a celebration for the Lithuanian people to mark the beginning of Spring. It was a nice time with many different types of booths. There was a person making the traditional desert for most celebrations in Lithuania. It was very cool to see. I was also able to spend this day with the Kelley's who were in the area visiting. The next day we held a celebration service in Riga. One was filled with the gift of the Holy Spirit. Praise God!

As many already know, I am called to Russian speaking people. One young woman from Uzbekistan asked if she could prepare a traditional Uzbek meal for us. Of course we agreed. It was actually during the time of Ramadan, so while she was cooking she asked if she could perform her prayers in my home. I told her yes. While she was praying, I was silently praying for her that God would open her eyes to the truth. Shortly after her prayers, she saw a Bible and was very curious saying that she had never held a Bible before. Her Russian is better than her English so I offered her a Russian Bible so that she could have one herself. She gladly took it and we were able to have a Bible study. I am so thankful for the things God is doing and is going to continue to do!
