## GATS Seminar

At the beginning of the month, we had the annual GATS (Global Association of Theological Studies) seminar for Guatemala and El Salvador. GATS is the association that oversees all of our International Bible Schools. GATS helps ensure that every teacher has the right qualifications and education to teach. This 2-day seminar taking place near the border of Guatemala and El Salvador was an invaluable opportunity for teachers to fellowship and see new material.

Every class there was a move of the Holy Ghost, and you could feel the excitement to learn and most importantly draw closer to God.

## Guests

We are so thankful for all of the groups that came in the month of March. Each group, such as the Nix's and Bro. Burns who came for GATS, or the Steeles and the Haners who came to help with churches and to minister, poured themselves out to the people of Guatemala and for that we are so thankful. The people of Guatemala were greatly impacted by the visiting ministers and their trips have left a lasting impact on all of us.

We hope they all will visit Guatemala again soon.

# New Car

Previously, our primary mode of transportation was Uber. In many situations within the main city this is a very convenient way to travel. However, this became an expensive way to travel especially in between cities. We quickly found it necessary to have a vehicle of our own and began to pray about it.

Thanks to our wonderful supporters who saw this need as well and came to our financial aid, we were able to find a vehicle suitable for our needs.
