March Revival Tour

House church in Cluj

Brăila, Piatra Neamț, Roznov, Cluj & Timișoara

I was thinking about how it will be difficult to summarize all that March held in one newsletter, I believe only heaven will know the full impact. We may not get to see the physical results of spiritual things, like praying for the city from the top of Mount Cozla in Piatra Neamț, but we can trust that the prayers were heard and that He will move in His perfect way. Right now I can't put my finger on what shifted in me or in the city during house church in Cluj, but I know something did, I believe God took notice, and He is faithful to follow through.

In each city we went on prayer walks, sang, passed out invitations and connected with people in the streets, we had worship and preached in churches, hotels and homes. I'll summarize just a few special moments for me.

- I lead a children's service in Roznov, I taught about Daniel in the lion's den. Every time I said "lion" in the story they had to roar, we had a candy rain, played "Daniel Says," (like Simon Says) and related it to Daniel's obedience to God, no matter the situation - we had a really good time with lots of laughs! It was so fun to connect with the kids!

- During our trip to Cluj we had a great time with a home group, there was such a sweet presence of God and time of prayer. One lady was so excited to worship and sing. I loved connecting with them and seeing their sincerity and their hunger.

- A few of the places we visited offered us a meal afterwards, sharing food is such a big part of culture and a way to connect. The average Romanian doesn't have much, but they baked, cooked and served from the deepest parts of their hearts and it meant so much to me. The ability to connect, share, and love isn't based on price, but the sincerity of the heart, and I have met some of the most genuine and loving people.

- This whole month of March has been so impactful to me personally.

I was able to spend a week in Chişinău, Moldova with Michael and Tia McBride, pioneer missionaries to the country. I helped with a few projects and spent time with their sweet babies, Silas and Adelina, while they tended to legal things with their visas, meetings and other preparations. We were able to go out of the city a bit to Orhei. There was a beautiful overlook and a monastery built into a cave, the scenery was truly breathtaking, so quiet and peaceful, I could have stayed there near forever. We met with a contact they've been working with, I cooked "Chipotle" for her and the McBrides, it was great to connect with her. That Sunday we had church in their home, it was a really wonderful time!

Romania is such a beautiful country!

Prayer Points

If you remember from the last newsletter, I've mentioned a girl named Victoria from Bulgaria. We've scheduled Bible study two different times, each time things have fallen through. I know she has a desire to know more about the Lord, but she is struggling with some things. Please pray for her on this journey and wisdom for me to know how to work with her best.

Returning HOME - I have excessively mixed feelings about this! There is a lot to adjust to in many ways. Please pray that the Lord will be my strength, that the right job will open up for me, and that He guides my path in all things.

Moldova stole my heart!
