GREETINGS FROM BARCELONA!

Greetings from Barcelona! I pray this message finds you well. I am thankful for all that God has done, for every supporter—both in prayer and financial contributions. I cherish the friendships forged and the wonderful individuals I have the privilege to collaborate with, no matter where I am in the world.

Together, we are indeed stronger. I eagerly anticipate what the Lord has in store for us in the coming years. Although the world may be facing increasing darkness, it is during such times that the light shines most brightly.

Isaiah 58:12 NKJV

“Those from among you Shall build the old waste places; You shall raise up the foundations of many generations; And you shall be called the Repairer of the Breach, The Restorer of Streets to Dwell In.”

Raising Up the Foundations for Tomorrow's Generation!

This month marked a significant milestone for the local church in Barcelona (LPBCN). The long-anticipated metal beams, essential for reinforcing the building's support, have finally been installed. This enables the church to progress to the next phase of construction and renovations. There are expectations for the church to be fully operational by the end of this year, and we have faith that God will make this a reality. Once a Trinitarian Catholic church, it is set to reopen as a Oneness Pentecostal church within the Gracia community of Barcelona.

“TO EVERY NATION, TRIBE, TONGUE, AND PEOPLE”

Exploring New Lands

This month, the Lord opened a door I anticipated would not be accessible for many years. I had the privilege of accompanying a fellow companion to an undisclosed country that, to the best of our knowledge, has not experienced an apostolic presence in over 15 years.

We had the opportunity to discover the many wonders the land had to offer, including its beautiful landscapes and, most importantly, its people.

I firmly believe that God will achieve remarkable things when the time is right. For now, we will pray diligently for the land and its people to be prepared. In a region largely influenced by Islam, may God spread His Truth not only in this country but also in all nations facing similar circumstances.

PRAYER POINTS

- Lift up prayers for the Gracia neighborhood and the LPBCN church. As the building project progresses, may the hearts of the community be open to receiving the truth, and may the church be prepared to embrace the new harvest!
- Pray for all the missionaries working in difficult countries. May they be encouraged and strengthened through our prayers that they may continue breaking in the new ground in order to plant the seeds of Truth.
