

Pio's in Polynesia

MARCH 2025

Where has all the time gone! We have been so blessed to be able to forge this new work here in this unreached country. Every week it seems we are making new contacts, and opportunities to get into people's homes to share what we are doing here. It is an honour to serve the Lord here in Tahiti.

We appreciate your prayers and monthly support in helping to establish the work here in French Polynesia. Your faithfulness in giving helps us to cover our expenses while we are living here. Your generosity is making a difference in people's lives.

We are so grateful for all the friends that we have made since we arrived here! Young & old, they all hold a special place in our hearts. We love getting together every Friday Night for Fellowship in our home. It is also a privilege when we are invited into their homes to share a meal or teach a Bible Study. Continue to pray for each and everyone of them. We believe that they could someday be the pillars of the work that will be established here in Jesus' name!

To God be the Glory!
