

MARCH 2025

Brandon and Brianna Rutherford

We had a blast in Sunday school this month! We spent the month covering the importance of building our own relationship with God and the ways in which we do that.

We held a national men's event that involved outreach, fellowship, and a powerful church service! God is doing great things!

The ladies of Apostolic Life Church blessed us with a baby shower! It was a wonderful time celebrating our sweet girl! We are so thankful for the loving people of this church, we have always felt like family!

We are thankful to the Borders family for allowing us to work alongside them, and for everyone who has supported us. We ask that you continue to pray over the church here in Tauranga, and over the nation of New Zealand as a whole.
