

# April 2025

*Amber Allen: All the Way to Dominican Republic*

Hola from the Dominican Republic! When I arrived I was greeted by the Tingley family and the warm weather! My time here has been busy, but it has been wonderful. During the last few days of March, I was blessed to be a part of Holy Ghost Rallies in Santo Domingo. At least 17 people were filled with the Holy Ghost. The beginning of April the Holy Ghost Rallies continued in the DR, 12 received the Holy Ghost!

Homeschooling has been a large part of my time here. Ellie and Axton are working hard to complete their studies and are ready to enjoy some summer fun!

Wednesday nights we attend El Refugio Church and on Sunday we visit different church locations. Even though the locations may change and the language has changed for me, one thing has remained the same: Jesus! He is still on the throne and great things are happening in the DR!
